Disc Jockey

&

Master of Ceremonies

## Proud member of:

The Musicians union; No 1001211  
DJ`s United  
DJ Associates

## About me

I am a Disc Jockey & Compere based in the North West of England. I have been in the industry since 1988. I was born in 1972 and have a very good knowledge of music from 60's to now.

## Events

I am available for all occasions including Weddings, Birthday Parties, Anniversaries, Corporate and Christmas events . No matter the size of the event or the venue, the Disco/PA rig can be as small or as large as required.

## Weddings

I can be available for the whole day and act as the Master of Ceremonies or just the evening Mobile disco.

## Consultations

I always offer a face to face consultation around 4 weeks before the event. This is a meeting to tailor your day or evening exactly how you want it to be presented.

## Play list

A play list is always asked for. Whether it be the Bride and Grooms first dance , finale or a list of tracks you may want playing during an evening party. You may want a certain piece of music during your wedding breakfast or corporate meal.

## Equipment

All equipment is regularly tested and a P.A.T. certificate is available. The equipment is clean and tidy and can be made to suit depending on the event and venue size. A Shure SM58 radio microphone is used to toastmaster and is ideal for the speeches and presentations.

Equipment is very important so I use upto date top quality sound and light.

## Novelties

Glow necklaces & glow bracelets are brought to every event and are free of charge.

Confetti cannons are available .

Please ask for a competitive price.

Please note some venues do not allow confetti cannons.
